

Dear FCC Commissioners:

Please, for the sake of retaining the airwaves as a free forum for use by and for the public, do not ease the current restrictions on ownership. Concentrating such power will have extremely adverse affects for not only the citizens of the U.S. but of the rest of the world as well. Allowing ownership of radio, TV, and other media by fewer and fewer entities is a direct threat to freedom of speech, thought, and action as the ability to propagandize drastically increases.
